

Anna Leonowens Gallery

1891 Granville St Halifax NS

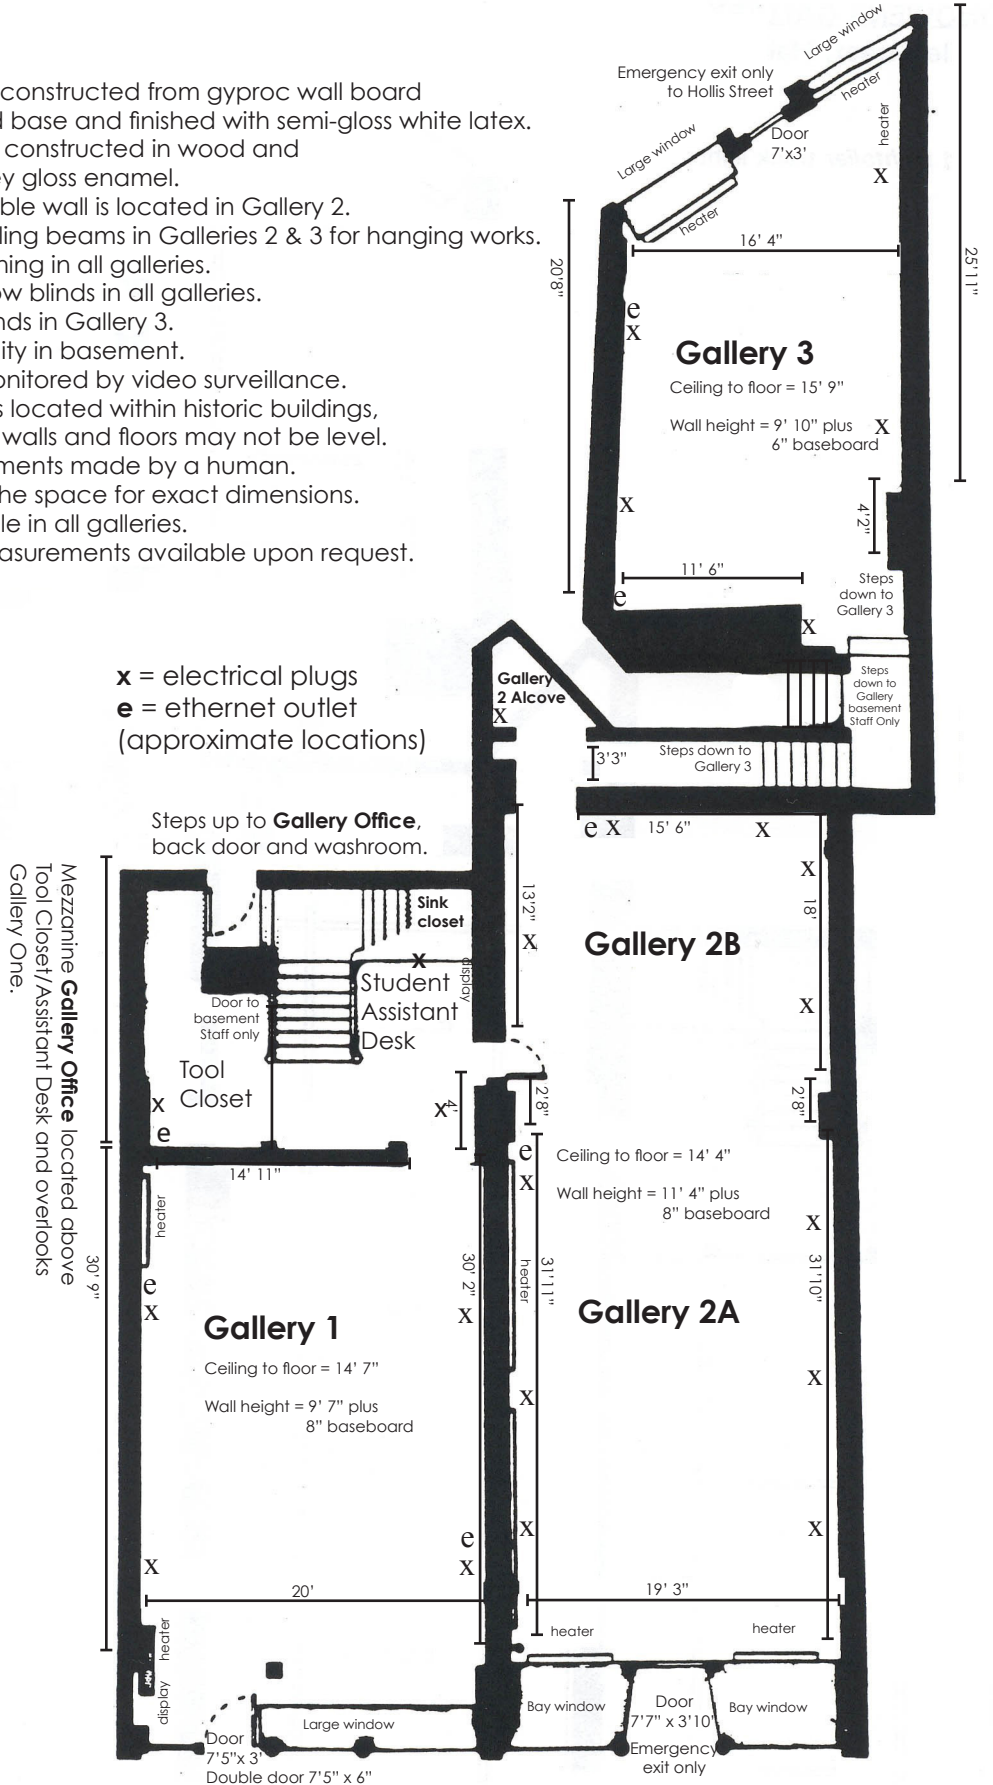

Anna's notes:

- All walls are constructed from gyproc wall board over plywood base and finished with semi-gloss white latex.
- All floors are constructed in wood and finished in grey gloss enamel.
- One moveable wall is located in Gallery 2.
- Exposed ceiling beams in Galleries 2 & 3 for hanging works.
- Air Conditioning in all galleries.
- White window blinds in all galleries.
- Blackout blinds in Gallery 3.
- Kitchen facility in basement.
- Gallery is monitored by video surveillance.
- The gallery is located within historic buildings, therefore the walls and floors may not be level.
- All measurements made by a human.
- Re-measure the space for exact dimensions.
- Wi-fi available in all galleries.
- Window measurements available upon request.
